

# Holding a Class Vote using the Quercus Quiz Tool

## 1 Creating the Vote

## 2 Getting the Results

If a decision is made to change the methods of evaluation in a course or their relative weights, then the consent of students may be obtained by a vote taken through Quercus.

See section 1.3 of the [policy governing grading practices](#).

a Click **Quizzes** in the course menu.

Quizzes

b Click the **+Quiz** button in the top right of the page.

+ Quiz

c Enter the name of the survey in the first field.

Class Vote (changing methods of evaluation)

Select **Ungraded Survey** from the **Quiz Type** drop down.
